

Dear Parents

As per the ongoing need it becomes imperative for us to facilitate our students in the best possible manner and to fulfil this need of the moment the school is providing you with an AI (artificial intelligence )based learning chatbot called ‘Alfie’.

**‘Alfie’ is an interactive AI companion which makes learning fun and engaging for students. Alfie ensures academic boost for children by enhancing their learning abilities and creativity.**

Students can interact with ‘Alfie’ orally or by keying in their queries. The queries will be answered in through engaging images, videos, fun filled interactive exercises, gamified modules- MCQs, Drag and Drop etc. Children can master their curriculum and skills in a digitally vibrant medium.

The service is available for two subjects: Science(6-8) and English grammar (1-8).

You are requested to visit: [www.anyboli.com/PIETSS](http://www.anyboli.com/PIETSS) and use the code “COVIDFREE’ to **unlock the paid chapters.**

- It can be accessed from any device it can be a mobile, laptop or a tablet. You can browse it through Google chrome or through other browser on the device.

The Free services are available till [31st July 2020](#).
