

Dear Parents

As we focus our attention on ‘what our students are learning’ alongwith ‘the skill sets they are acquiring’, it becomes imperative to assess and evaluate them. Thinking on the same lines we have decided to take up the first assessment week. Test will be conducted for all the main subjects ONLY (excludes French, Sanskrit, Computers and GK). Kids are also being assessed on the basis of their project work and active participation during dedicated subject weeks and in online classes. Test will be uploaded on ERP and the link for the test will be shared by the teachers in your respective class group. Assessment will be done in the form of objective questions (MCQs). Detailed guidelines and practice on how to attempt the test will be given by the teachers before the final assessment. It is compulsory for all the students to take up these assessments as the marks for the same will be taken into consideration at the year end report. During assessment week there will be no regular classes. Syllabus and the date sheet for the same are shared below:

- Classes 2 to 5: 26<sup>th</sup> May – 29<sup>th</sup> May
- Classes 6 to 8: 26<sup>th</sup> May – 30<sup>th</sup> May

This is to inform you that if you are in requirement of any particular books whether it is your subject related or any other, kindly forward your request to Naveen Sir. You must provide the complete information. Mention your name (full name) book name and also the class that you require it for.

Example-

- *Name: Ritu Sander*
- *Classes : 6,7,8*
- *Book: Grammar Connect with answer key*
- *Publisher: Blueprint*

Send the information to him positively by Monday as after Monday no such request will get entertained. Naveen Sir, will issue the books in your name and leave it at the reception. You can collect the books from the school as and when it is feasible for you.
