

FINAL REMINDER FOR THE PAYMENT OF FEE

Dear Parents

In compliance with the Haryana Govt norms the school is charging 'tuition fee' as per the fee structure of 2019-20 and there was no tuition fee hike in view of the current situation. Punjab and Haryana high court orders on 30th June 2020 stated that private schools are entitled to collect the tuition fee and are also at the liberty to recover genuine expenditure incurred – including transport and building charges. Justice Nirmaljit Kaur also allowed schools to collect admission fee. However, the school's decision is still pending for the aforementioned and school is asking to pay only tuition charges and that too on monthly basis.

School is making ensure that students' education is not impacted due to the present or future lockdowns imposed due to COVID 19 and continue impart online learning. We appeal our parents to clear off the outstanding dues ON URGENT BASIS by Saturday, 11TH July 2020 else the school will be forced to take a stringent action as per the Haryana Government rules for the collection of school fee. Parents' cooperation and understanding is desired.

NOTE-Please ignore if fee is paid

Dear Parents

The school is charging only 'tuition fee' and **contrary to the false claim there is no clubbing of other heads in it**. Also the school has adopted the same fee structure as of 2019-20 and there was no tuition fee hike in view of the current situation. Punjab and Haryana high court orders on 30th June 2020 stated that private schools are entitled to collect the tuition fee and are also at the liberty to recover genuine expenditure incurred – including transport and building charges. Justice Nirmaljit Kaur also allowed schools to collect admission fee. However, the school's decision is still pending for the aforementioned and school is requesting parents to pay only tuition charges and that too on monthly basis.

Following the directives by the government the school had agreed to consider waiver or deferment for parents in genuine distress. A legitimate concession

had already been extended to few parents who had provided valid proof. School is making ensure that students' education is not impacted due to the present or future lockdowns imposed due to COVID 19 and continue impart online learning. We appeal our parents to clear off their dues by Saturday, else the school will be forced to take a stringent action as per the Haryana Government rules for the collection of school fee.
