

Examination Update

Dear Parents It has been decided that the school will be conducting Online as well as Offline exams from 08-03-2021 for all subjects. You are requested to message regarding your mode of preference for giving the exams to the respective class incharge on her PW. Students will not be allowed to switch the mode. So take the decision very carefully. Guidelines for Exams - Online exams will be conducted on Hireme Platform and offline exams will be conducted at school. - The duration for both the exams will be of three hours. -You are entirely responsible for having stable internet connection for giving online exams. - For submission- the answer sheet needs to be uploaded on the Hireme platform. -WhatsApp images of the answer sheet will not be accepted. -The examination will be conducted for all subjects as per the datesheet on the same day. You will be receiving a call from your ward's respective class incharge tomorrow to confirm your mode of selection. So, we expect you to be ready with your decision. In case of any doubt/clarification, please contact your class teacher at the earliest.
