

Few important points

IMPARTUS DATA

1. The data sent via mail is of 2019_20 session and you are working on the data for 2021-22 session. That means class 1 data sent via mail will be used as class 3 data and so on...
2. For class 1 and 2, fresh data will be prepared
3. Changes to be made-
 - deletion of data of students who left the school
 - addition of new names who enrolled during covid
 - change of department name EXAMPLE - Class_1 to Class_3
 - Change of year in the last columns
 - Expiry date will be 31st March 2022
