

VERY IMPORTANT

This is to inform all the teachers if any parent has any query regarding the fee, they can call at 9992122066 **ONLY** from Monday to Friday between 9:00am and 3:00pm . **It has been brought to our notice that even after repetitive requests, teachers have been forwarding Ravi's personal number to parents. He is one man army in the account's office and is getting flooded with the queries on his personal number. It's a HAND FOLDED REQUEST from Mam's side not to give Ravi's personal number to any parent.**

We expect everyone to respect the personal boundaries and repeating again Ravi's personal number **SHOULD NOT BE SHARED** with parents BY ANYONE.

All the parents are requested to pay the school fee. Kindly inform me if you have already paid on my PW or write to me if you have any concerns regarding the same.

1. I have received the letter and understand the reasons for taking this decision in view of the current scenario. Somehow, I would like to suggest that instead of deducting 50% salaries, I would really appreciate if you deduct 20% of it. Reason being it has become very difficult to manage through our savings and meet all our expenses. Lastly, a strict action needs to be taken against the parents who are not paying the fee and there must be a proper coordination among all the schools within Panipat so that parents cannot move to any other schools without clearing their previous dues.
2. I'm writing this to acknowledge that I've received the letter and understand the reason behind this decision. However, I'd like to share that everyone would be thankful if you deduct 25% from the salary instead of taking 50% as everyone is going through financial difficulties and in need of money. I hope and pray that situation get better soon and we'll be paid in full. Rest, I respect the decision of the management.
- 3.

I have received the letter and would like to share my opinion that I would be grateful if you deduct 20% from the salary instead of slashing 50% as we need to meet our expenses and it is getting tough to manage things with half salary. I

hope as the situation will improve, we'll be paid in full. Rest, I do understand the reasons behind this decision and will abide by it.

I understand that lockdown period is affecting everyone adversely and respect the decision regarding salary taken up by the management. Also, want to say thank you, for giving due consideration to single mothers to pay 75% of their salary.

CLARITY OVER FEE PAYMENT

Dear Parents

This is to inform you that as per the fresh notice of Haryana Govt. of Education Dept. it's compulsory to pay the school tuition fee monthly or quarterly. Owing to the lockdown period, the fee had already been slashed for transportation and other expenses. In case you are facing any financial constraints and need exemption for now, then you can seek an appointment with the management by calling Ms Shivangi at 9992101166 alongwith an application detailing the reasons for the temporary exemption. The arrangement to pay the amount in instalments can be done from the month of July depending on the decision of the management after taking into lieu the reasons given.

So, tuition fee is expected to be paid by all before 15th of June'2020 for the interrupted functioning of the online classes for your ward. We urge parents to start paying the school fee without any further delay.

. Sir

The purpose of this letter is to inform you that the school won't be able to pay Mr Rajesh any more owing to the financial difficulties faced by school for the past couple of months due to the lockdown period. He has been paid for the month of Aril and May. So, as of now his position has been eliminated until the school resumes.

Please accept our appreciation for his contribution during his employment with our school.

Thanks and regards

Hello all

You all must have received a mail from me. Kindly acknowledge the same and write that you accept the decision or you can add to it if you think differently and want to convey your opinion. Please cc the mail to the following:

- sureshtayal@gmail.com
- rakesh.tayal@piet.co.in
- vaishalibhatia30@gmail.com
- raviverma@piet.co.in
- Pietsanskriti@piet.co.in

Note: Please be noted that it is mandatory for all to revert back to the mail.

This message is regarding 'Extramarks' learning App. We highly recommend students to download this app for its free trial as it contains extensive content that is mapped according to curriculum. The Learning App provides learning modules for all major boards (CBSE, ICSE, ETC) and all classes. Textbook concepts are explained in great detail.

After the free version gets over, if you so desire, you can purchase it BUT through school ONLY. Please DO NOT entertain any calls from any other source regarding the same.

Sir

We are writing this to you for a consideration in waiving the charges as due to school closure we have not been using the services of your company.

We have never before delayed the payments and have always been an upright account holder with your company. But this request has been made as a result of the adverse circumstances we all are facing presently. The school is currently going through a financial constraint due to COVID 19 lock down period.

We believe that your company must support us at a difficult time as this and grant a waiver on the charges. We shall be ever grateful if we get an affirmative response for the waiving of charges on our account.

Your early attention will be appreciated.

Thanks and regards

Dear parents

PIET believes that learning should continue amidst all kinds of situations and is eager to make your parenting easy. In our endeavour to make your child successful, both the branches (HUDA and NFL) are offering demo classes through Zoom App for students. So, interested students please feel welcome to join the course of classes.

Dear Parents

PIETIANS are bending over backwards to reach to their student community in every possible manner during this lockdown period. To begin with after considering your request we have decided to conduct online session for classes I and II between 11:00 and 1:00 pm.

Secondly, kindly ensure to name the device with your ward's name in the following pattern Roll No + Name + Class/Sec, (02 Manu 2B) or else the child will be marked absent by the concerned teacher.

Next, in case you are facing network issue, if possible try to change your data plan or internet provider to facilitate the ward.

Lastly, we believe that exercise is vital to stay hearty so develop a regime of exercise and follow it rigorously with your whole family to stay energetic and also motivate your ward to do the homework assignments/activity day-to -day.

This is to inform you that TUK is also conducting online quiz. We suggest maximum participation as it will help you to enhance your skills and utilize your time in a more productive manner.

Kindly note the following

1. Students need to register themselves at www.tukworld.com (The Ultimate Knowledge) LEARN-AT-HOME to get free access to all the E-content available to update their knowledge.
2. Video given below holds step by step information on how to get you registered.
- 3.

Dear kids

It's been a great year with you all, made many memories sharing and listening your stories. Thank you for all your love. I'll be exiting this group but NOT YOUR LIFE so stay in touch. You can whatsapp me anytime. Lots of blessings!

Dear Parents

This is to inform that parents are requested to deposit their ward's either monthly or quarterly fee as per their convenience. The school has decided to exclude the charges for meal and transport for this lock down period. To pay fee online kindly refer to the tutorial in the video given below.
