

## OUR VISION

"Our school envisions a future where every child's happiness quotient is a measure of their educational success, creating a vibrant and positive learning environment."

## MISSION

Empowering Minds, Nurturing Character: Transforming Lives through Innovative Education."

## SCHOOL OBJECTIVE

**PIET Sanskriti School** is a unique initiative *taken up* by '**Vidhya Peeth Education Trust**' towards primary education. The school makes its prime objective to imbibe the culture, heritage, value and beliefs in young blossoms with a modern approach. To achieve this objective we aim to take education beyond text books.

We strongly believe in '**anywhere, anytime learning**'. The school would usher a positive change in those special early years in the child's first march outside the house that would stimulate and prepare him/her to venture into the competitive and challenging world of today.
